Re: Operating without a valid permit

Dear Mr. Sweatt:

The Division has reviewed your permit applications dated January 30, 2013 for operation of gasoline dispensing facilities (listed below). Based upon this review, you started operating these sources on or about dates listed below.

FID Number	Source Reference Number	Name/Street Address	City / County	Date of ownership change
5-950074	95-0328-01/66901	AM Express #2/404 N Cumberland St.	Lebanon / Wilson	12/29/11
5-830197	83-0442-01/66902	J's Mkt./866 W. Broadway	Gallatin/Sumner	4/24/03
5-950170	95-0330-01/66900	Sudden Service #46/639 S. Cumberland St.	Lebanon / Wilson	6/7/06
5-950042	95-0329-01/66899	Uncle Pete's/1210 Sparta Pike	Lebanon / Wilson	5/21/92

Division Rule 1200-03-09-.02(2) states that no person shall operate an air contaminant source in Tennessee without first obtaining an operating permit from the Technical Secretary except as specifically exempted in rule 1200-03-09-.04 of this chapter.

The Tennessee Air Quality Act allows for enforcement action against individuals who violate the Act or its Regulations. The above described violation will be evaluated to determine if additional enforcement action is warranted. If you have any information that proves the violation did not occur, or if you have information that documents mitigating circumstances relative to the violation, you may submit that information in writing to the Technical Secretary, 9th Floor L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531. To ensure that information you wish to submit will be considered, it must be submitted within 20 days of your receipt of this **Notice of Violation**.

Technical inquiries surrounding this allegation of noncompliance should be directed to Will Collins at (615) 532-9198, and questions concerning the enforcement process should be directed to Tammy Gambill at (615) 532-0531 or via e-mail at tammy.gambill@tn.gov.

Sincerely,
